Re: Implementation of Container Drayage Surcharge (LCL)

Dear Valued customer,

We are regret to inform you that effective from 1st August, 2019 (By ETA/ETD), the Container Drayage Surcharge will be implemented for all outbound/inbound LCL cargoes in Japan, it is because of shortage of driver and serious congestions at destination container yard since the end of last year.

In spite of efforts to absorb extra cost by all means, unexpected sharp increase in drayage cost makes us no choice but to carry out the following surcharge to cover part of the additional cost.

Title of Surcharge : Container Drayage Surcharge
Price : JPY 800/RT
Applicable Cargo : Import/Export LCL Cargo (Japan)
Effective Date : 1st August, 2019

Thank you for your kind attention on the above matter. Should you have any enquiries, please do not hesitate to contact us.
